135 Crash Description

On 12/18/2012 at approximately 1757 hours Ptl. Tillberg #205 and I responded to 1872 Route 88 in reference to a hit and run motor vehicle crash.

Upon arrival we were met by the victims of vehicle #2 located at Route 88 east approximately 75 feet west of Jack Martin Blvd. While investigating the crash it was observed that the suspect vehicle had left their front license plate on scene.

Vehicle #2 stated she was stopped on Route 88 East attempting to make a left turn into the Wal Mart parking lot. Vehicle #2 advised she was struck by Vehicle #1 from behind. Vehicle #2 stated Vehicle #1 then proceeded to leave the scene of the accident.

A check from Dispatch advised the vehicle could be located at 349 Shawnee Drive. The suspect vehicle is a 1997 red Mercury Mountaineer with a NJ Registration of W64BBB.

Vehicle #2 advised the suspect operating the vehicle was a white male between the ages of 40 and 50 years old with a larger build. They also advised the vehicle was a red Mercury Mountaineer.

Upon arrival at 349 Shawnee Drive, we observed the suspect vehicle (Vehicle #1) which was parked in the driveway. The vehicle matched the description supplied by the driver of Vehicle #2. The vehicle had front end damage which concurred with the damage to vehicle #2 including a missing front plate. I spoke with David Allen who advised that he had been operating a motor vehicle with the NJ Reg W64BBB. He also stated that he had struck a vehicle on Route 88 east and the entrance to Wal-Mart. David advised that his license was suspended because of Driving While Intoxicated, 39:4-50. Dispatch confirmed that David is on the revoked list for Driving While Intoxicated and also has had a previous driving while suspended while revoked for 39:4-50 (see case form for details of arrest).

David Allen was arrested (see Arrest Report) and issued the following summonses: T-130438 for driving while suspended, 39:3-40; T-13043 for leaving the scene of an accident, 39:3-129b; and T-130440 for failure to report an accident, 39:4-130.
