135 Crash Description

Vehicle 1 was traveling east on Route 88 behind other traffic. Driver 1 stated the vehicle in front of him had his left directional signal on, so he started to pass him on right (shoulder). Driver 1 stated the vehicle in front of him then put his right directional signal on and attempted to turn right, as he Driver 1 was passing. Driver 1 stated he swerved to the right to avoid vehicle contact, and in doing so struck a curb. I observed front and rear passenger-side damage to Vehicle 1.

Investigation by this officer reveals that Driver 1 was following too close, and made an improper vehicle pass on the right causing this crash.

There were no reported injuries at the time of this report.
