135 Crash Description

Vehicle #2, backing out of parking space in the parking lot of Home Depot, 1722 Route 88. Driver #2 stated driver #1 waived at him to back up. When vehicle #2 was about half way out of the parking spot, vehicle #1 pulled forward and behind vehicle #2. The trailer hitch of vehicle #2 struck the driver's door of vehicle #1. There was no visible damage to vehicle #2.

According to driver #2, after the collision both driver's spoke and wanted to exchange information. Driver #2 gave his information to driver #1, who then left the area before giving his information to driver #2. Driver #2 then phoned police to protect himself against a false claim by driver #1.

I responded to the residence of Driver #1. He advised that it was a minor motor vehicle accident and thought both driver's decided to settle it amongst themselves. He claims he believed he only needed driver #2's information, as the only damage in the accident was to his own vehicle. The damage to vehicle #1 was minor.

Driver #1 stated he observed vehicle #2 to his left backing at a slow rate, but he was looking to his right at a parking spot that was opening up. Despite seeing vehicle #2 half way out of the parking spot and into the lane of traffic, driver #1 edged forward from a stopped position and behind vehicle #2 when he was struck.
