135 Crash Description

Investigation at the scene revealed: Vehicle 2 was legally parked in a parking space on the north side of the building / strip mall located at 1743 Rt.88. Vehicle 1 was traveling east through the parking lot, looking for a parking space. The driver of vehicle 1 stated she observed a parking space become available on the west side of vehicle 2, and attempted to back up to gain access to it. The driver of vehicle 1 stated she was listening for her back up alarm to sound as she was backing to indicate she was approaching an object / vehicle. She did not hear it and continued backing until colliding with vehicle 2. The right lower rear of vehicle 1 collided with the left lower rear of vehicle 2.

No injuries were reported at this time and vehicle 1 was moved prior to my arrival.
