135 Crash Description

Investigation at the scene revealed: Vehicle 2 was parked in the parking stalls located in front on 1640 Rt. 88. At approximately 1600 hours the owner of vehicle 2 arrived back at her vehicle and observed it had been struck. The owner of vehicle 1 left a note on the windshield advising her of the incident and left his name and phone number to be contacted.

I contacted the owner of vehicle 1 who advised his son is learning how to drive on his permit. The owner asked his son to drive him to 1640 Rt. 88 for a doctors appointment he had at approximately 0930. Upon their arrival his son pulled into the parking stalls directly across from vehicle 2. The owner advised his son he was parked crooked and had him attempt to fix it. As vehicle 1 backed out of the parking stall, the driver accidentally accelerated and crashed into vehicle 2. Vehicle 1's lower left rear crashed into vehicle 2's lower left rear causing damage to both vehicles.

The owner of vehicle 1 attempted to contact the owner of vehicle 2, but was unable to. He contacted his insurance company and they advised him to leave a note and wait for a phone call. No injuries were reported at this time and all of vehicle 1's information was later brought to headquarters by the owner of vehicle 1 and the driver.
