135 Crash Description

Vehicle #1 was traveling West bound on Route 70 in the area of the Home Depot Store. The driver of Vehicle #1 (Stephanie Alafouzos) stated that she was traveling in the right lane, close to the shoulder of the roadway. She stated that she observed several landscapers using leaf blowers to blow debris onto the roadway. She stated that a landscaper blew a small rock from the roadway which struck the windshield of her vehicle. I observed a small crack in the center of the windshield. Mrs. Alafouzos stated that she could not immediately stop in traffic and that she turned onto Route 88 and then entered the Home Depot. She stated that she entered the store believing that the landscapers were employed by the Home Depot. Mrs. Alafouzos stated that she was advised by the Home Depot that the landscapers were employed by an independent company. Mrs. Alafouzos stated that she spoke to a landscaper and that he denied that anyone from the company was working on Route 70.

I spoke to Mrs. Alafouzos about the incident and she advised me that she could not describe the landscapers working on Route 70. Ptl. Turrin #199 checked Route 70 and could not find anyone working on the shoulder of the roadway. I then spoke to Victor Ramirez Barragan from Above All Landscaping. Mr. Barragan stated that his company was not working on Route 70 and that they have been working in the Home Depot parking lot, closer to Route 88. He stated that they have been mulching the beds in the parking lot and have not done any work on Route 70.
