135 Crash Description

V1 traveling through main through way in Walmart parking lot. V2 stopped in parking lot aisle awaiting to make a left turn into main throughway. V1 has right turn signal activated and is planning to make a right turn in parking lot aisle after the aisle V2 is stopped in. Driver of V2 believes V1 is going to make a right turn into their aisle and begins to enter main through way. V2 collides into V1. Based on my investigation and observations on scene I determined V2 to be at fault for the motor vehicle crash.
