135 Crash Description

Vehicle #1 was parked running in the parking lot/drop off point at the Brick Professional Complex, 1608 Route 88, Brick, NJ 08724. Vehicle #1 was a passenger van dropping off patients for the Bancroft Nuero Health center at 1608 Route 88, Suite 302, Brick, NJ 08724.

Driver of vehicle #1 stated that she was helping patients off of the van and had set the emergency brake on vehicle #1. Driver of vehicle #1 stated that she returned to the drivers seat while patients were being off loaded and accidentally released the emergency brake causing the van to move slightly which caused a passenger to strike her head on the side door of the van as she was attempting to exit the vehicle.

First aid responded and the passenger who struck her head was checked. The subject refused further medical attention at the scene and since she had a prior traumatic brain injury her caretaker (sister) was notified by Bancroft Nuero Health of this incident.

Vehicle #1 was left at the scene and no other injuries were reported at the scene.

* Persons involved (B) and (C) were secured in the van while sitting in wheelchairs.

* The caretaker/guardian for the subject who was injured is as follows: Susan Sauer
