135 Crash Description

Investigation at the scene revealed: Vehicle 1 was stopped with his left turn signal on heading westbound on Route 88. The driver of vehicle 1 and a witness Jamie Cameron stated a vehicle heading eastbound stopped, flashed his lights and waved to the driver of vehicle 1 to allow Vehicle 1 to make the left turn into the parking lot of 1715 Route 88. Vehicle 2 was heading eastbound and attempted to go around the vehicle in front of her on the shoulder. Vehicle 2 collided with vehicle 1 as he was entering the parking lot of 1715 Route 88.

The driver of vehicle 2 and a witness Gary Stansbury who I contacted via cell phone and was behind vehicle 2 stated there was no vehicle stopped heading eastbound. They stated they were traveling eastbound on route 88 when vehicle 1 began to make the left turn into the parking lot causing vehicle 2 to slam on her brakes and slide into vehicle 1.

The suspect car that was stopped in traffic was not on scene upon my arrival and both vehicles were already in the parking lot of 1715 Route 88. Based on my investigation at the scene I determined vehicle 1 to be at fault. Both witnesses filled out witness statement forms.
