135 Crash Description

Investigation at the scene revealed: V2 was legally parked in a parking space in the east side of the lot of 1585 Rt.88 For an unknown reason V1 backed into V2. The left rear of V1 collided with the left middle of V2. V1 then fled the scene.

V2 was not moved prior to my arrival and it is unknown if the occupant(s) of V1 sustained any injuries.

It should be noted that I located pieces of a broken tail lamp at the scene and paint transfer on V2. It appeared the suspect vehicle backed from a parking space from the opposite side of the parking lot. There were visible tire tracks on the ground from a puddle that V1 drove through that indicated it backed from a spot.

From the evidence at the scene the suspect vehicle is a light green or teal colored Chrysler or Dodge passenger vehicle. The area checked negative for the vehicle.

The broken tail lens was placed into property as per department policy.
