135 Crash Description

Vehicle 1 backing from a marked parking space of Pinewood Park parking lot. Vehicle 2 parked alongside parking lane of Pinewood Park parking lot, partially parked on the grassy area alongside parking lane. Driver 1 stated prior to backing, he observed that vehicle 2 parked partially in the parking lane directly behind his vehicle which did not provide adequate space for vehicle 1 to easily back from its parking space. Driver 1 stated his wife stood outside the vehicle and assisted him as he backed the vehicle. He added that he did not hear his wife tell him to stop as he backed and therefore, the rear passenger side of his vehicle collided into the driver side of vehicle 2.

Upon my arrival, vehicle 2 remained parked in the exact spot it was in when vehicle 1 backed into it. It is my opinion that vehicle 2 parked in a location that made it improbable for vehicle 1 to have enough clearance to back from its parking spot without either sideswiping the vehicle parked alongside it or backing into vehicle 2.

Box 54 & 55: The operator of vehicle 2 could not be located at the time of the crash. A message was left for the operator to contact Brick Police, however, at the time this report was submitted, I have not yet heard back from the operator.
