135 Crash Description

Vehicle #1 was a Freightliner Tractor Trailer and was driving out of the parking lot at 1905 State Highway 88. Unknown to the driver his right rear mud flap frame caught the support wire and destroyed it. With no support wire for the telephone pole, the weight of the wires caused the pole to snap and the top of the pole fell to the ground. A witness saw the tractor trailer in the area of the downed pole and called the police. She described the truck as a white tractor trailer that said Swift on the side. Once the JCP+L workers said the scene was safe I was able to find a Freightliner mud flap and frame at the base of the support wire. The white Swift tractor trailer was found in the K-Mart lot with the missing right side mud flap that matched the left side mud flap. The driver of the tractor trailer said he was in the area of 1905 State Highway 88 but had no idea that he had hit anything.

According to the insurance paperwork, the truck is insured by Catlin Insurance(LLoyds Syndicate 2003).
