135 Crash Description

V2 was unoccupied and parked in the parking lot of Walmart, located at 1872 Route 88. V1 was backing out of the parking space located next to the driver side of V2. While V1 was backing out of the space, the front portion of the passenger side panel of V1 struck the rear driver side panel of V2, causing a collision. V1 then left the scene of the accident. The owner of V2 returned to her vehicle and a witness informed her that a black Jeep Liberty, NJ/UGF33K, had struck her vehicle while backing out of the parking space next to her. V2 had damage to the rear driver side panel. I responded to the residence of NJ/UGF33K and located the vehicle, where I observed damage to the front portion of the passenger side panel. I spoke with the driver of the vehicle, who stated that she had gone to Walmart that morning but she did not realize that she had struck another vehicle. Driver of V1 was issued summons #T098262 for leaving the scene of an accident and summons #T098263 for failure to report an accident. V2 was not moved prior to police arrival. No injuries were reported.
