135 Crash Description

Vehicle #1 was attempting to exit the Walmart parking lot onto Rt. 88. Vehicle #1 drove straight across Rt. 88, struck a curb, struck a light post, struck a sidewalk curb and then struck 1875 Rt. 88. Driver #1 stated she lost control and ran into the building. The building itself did not appear to have suffered any major damage.

My investigation revealed Vehicle #1 to be at fault for the accident. Driver #1 was checked out by First Aid for chest pain but refused to go to the hospital. A witness to the accident filled out a Witness Statement form in which he stated Vehicle #1 drove straight across Rt. 88 and hit the building.

I spoke with Jacki Frank, the owner of Tri County Agency of Brick Insurance, who had arrived on scene. Frank was advised of the accident and the resulting damage.
