135 Crash Description

Vehicle #1 was traveling west bound on Rt. 88. Vehicle #2 was attempting to make a left turn onto Rt. 88 east from the Laurel Square parking lot. Vehicle #2 started it's turn when the vehicles collided.

Driver #1 stated he was traveling straight when Vehicle #2 turned in front of him causing the collision. Driver #2 stated it was clear for her to turn so she started to turn when Vehicle #1 came out of nowhere causing the collision. Driver #2 stated Vehicle #1 must have been speeding.

I spoke with two witnesses (see Witness Statement) who both stated Vehicle #2 turned in front of Vehicle #1 causing the accident. Both witnesses stated Vehicle #1 did not appear to be speeding.

My investigation revealed Vehicle #2 to be at fault for not properly making sure it was safe to turn. I issued Driver #2 summons T-094481 for 39:4-97.

Driver #1 was transported to Brick Hospital for shoulder and neck pain. Driver #2 was transported to Brick Hospital for shoulder and head pain. The passenger in Vehicle #2 stated she had shoulder and head pain as well but refused treatment. No other injuries were reported at this time.
