135 Crash Description

Vehicle #1 was parked in a marked parking space on the East side of the Wal Mart building, in the Wal Mart parking lot. The driver of vehicle #1 stated that he checked behind his vehicle and proceeded to back up out of the parking space.

Vehicle #2 was also parked on the East side of the Wal Mart building, one row over from vehicle #2. The driver of vehicle #2 stated that he checked behind his vehicle and that it was clear for him to back up.

Investigation at the scene revealed that both vehicles backed out of their parking spaces at approximately the same time and both drivers failed to see the other vehicle backing up. Both vehicles had damage to the driver's side, rear quarter panels. There were no injuries reported and both vehicles were moved prior to my arrival.
