145 Crash Description/Narrative

On the above date and time I, Edward LaGreca Jr. and SLE0 2 Patrick Davis, were dispatched to the area of 5000 Butler Blvd. for a report of a possible motor vehicle accident. The caller/witness Caitlin Ables had called in reference to a male that had hit the fence surrounding the playground and might be intoxicated. When arriving on scene, the fence was snapped but still standing. The subject was sitting at the end of the peer and was later identified as David Detlefs. While speaking with David he had admitted to backing into the fence when he had arrived at the park hours prior. While speaking with David he appeared to be under the influence of alcoholic beverages, however the vehicle was shut off and cold to the touch. David further stated he didn't consume any alcohol until after parking his vehicle. David was issued several summons and then transported back to his home at 23R Butler Blvd. It was later discovered that V1 was uninsured and was impounded by Jersey Shore Towing. David had refused medical attention and there was no visible signs of damage to V1.
