145 Crash Description

Vehicle # 1 was travelling East on Atlantic Avenue and Vehicle #2 was travelling South on High Street. Vehicle #2 was stopped at the stop sign and driver #2 states that traffic was clear, so she proceeded through the intersection in an attempt to cross Atlantic Avenue and enter Railroad Plaza, when Vehicle #1 struck her near the rear driver side tire, causing vehicle #1 to spin out. Driver #1 was unable to articulate to me exactly what took place, so my investigation was based mostly on the physical evidence on scene. Due to the point of impact, it appeared that Vehicle #2 was already almost entirely through the intersection when it was struck by vehicle #1. No injuries were reported on scene.

145 Crash Description

Driver of Vehicle #2 said that he was parked in a travel lane behind vehicle #1 awaiting his son to get off the train. Driver of Vehicle #2 said that Driver #1 entered her vehicle and began backing out. Driver #2 said that he could not move his vehicle as his son was about to get in. Driver #2 said it took multiple attempts for Driver #1 to try and angle her vehicle out and on the third attempt, she struck his vehicle in the front drivers side quarter panel. This caused minor damage to the panel at the 10 o'clock position. Vehicle #1 suffered minor damage to the rear of her vehicle at the 5 o'clock position. When Driver #2 attempted to speak to Driver #1, she tried to pull away and would eventually flee on foot until she was contacted by other Police Officers and later placed under arrest for suspect DWI. Driver #1 is at fault for improper backing and driving while under the influence. End Report.
