145. Crash Description/Narrative

Vehicle #2 was stopped in traffic in the left lane of Route 70 eastbound, near the intersection of Cedar Bridge Ave. Vehicle #1 was directly behind vehicle #2. Vehicle #1's front bumper struck the rear bumper of vehicle #2.

Driver of vehicle #2 stated he was stopped in traffic in the left lane of Route 70 eastbound, near the intersection of Cedar Bridge Ave. At that time, vehicle #1's front bumper struck his rear bumper.

Driver of vehicle #1 stated he was traveling directly behind vehicle #2, in the left lane of Route 70 eastbound. As they were approaching the stopped traffic at the intersection of Cedar Bridge Ave, they began to slow down. He became distracted by the passengers in his vehicle and did not realize vehicle #2 had come to a complete stop. At that time his front bumper struck the rear bumper of vehicle #2.

Based off my observations and both driver's statements, I find vehicle #1 at fault for following too closely. No injuries were reported at the time of the crash.
