145. Crash Description/Narrative

On 06/09/2021 at approximately 1342, Ptl. Docherty #275 and myself #321 were dispatched to the Walmart parking lot (1872 RT 88) for a report on a motor vehicle accident. Investigation on scene revealed: V1 and V2 were both backing out of their parking spaces simultaneously. V2 stopped and observed V1 continuing to back out striking V2 on the left rear bumper assembly. I observed minor damage on the left rear bumper of V1 and minor damage on the left bumper of V2.

I spoke with the driver of V2, Mark Kriegstein, who stated while backing out simultaneously with V1, he stopped his vehicle immediately. He was not able to move his vehicle in time or honk his horn before V1 struck V2 in the left rear bumper assembly.

I then spoke with the driver of V1, Patricia Hennigan, who stated she looked over her shoulder before backing out of the parking space and did not observe any vehicles in her path of travel. She continued to reverse her vehicle but resulted in striking V2 in the left rear bumper assembly.
