145. Crash Description/Narrative

A motor vehicle hit and run crash occurred in the parking lot of Wal Mart (1872 Route 88).

Sabina Curran advised she parked Vehicle #2 in north side of the parking lot at approximately 0600 hours. She left Wal Mart for an hour lunch break and parked her vehicle in the same spot as before. While on her lunch break, the vehicle was parked in her driveway at her residence. After parking her vehicle at Wal Mart, she went grocery shopping and when she returned, she observed damage to the passenger rear side bumper.

There was damage to the rear passenger side bumper of Vehicle #2.

Curran advised there was no damage on her vehicle this morning when she left for work.

There were no witnesses while on scene and the video surveillance at Wal Mart produced negative results.

It appears Vehicle #1 attempted to park in the parking spot next to Vehicle #2 and struck the rear passenger side bumper of Vehicle #2. After striking the Vehicle, Vehicle #1 left the area in an unknown direction.
