135 Crash Description

Driver Vehicle 1 stated that he was driving slowly, eastbound on Rt 88 due to the fact that the traffic in front of him was almost to a stop. Suddenly an unknown vehicle passed him on the left and cut in front of him. When the unknown vehicle reentered the traffic it had to "jam on" the brakes because the traffic had now stopped. Driver Vehicle 1 then applied its brakes hard and ran off the road to the right in order to not hit the unknown vehicle. When Vehicle 1 left the road it struck utility pole JC188BK. Andrews Auto Body responded and towed the vehicle.

Upon interviewing the driver - Mr. Palmarini he stated to me that a few months ago he had purchased the vehicle from a Candace Colbert, 244 Beachwood Blvd., Beachwood NJ and they had signed the title papers over to Mr. Palmarini but he had since not registered the vehicle.
