145. Crash Description/Narrative

On 3/18/2021 at 1951 hours, I responded to the area of Route 88 and Ocean Medical Center for a report of a 2 vehicle crash.

The driver of vehicle 1 stated she was behind vehicle 2 waiting for him to pull out of the parking lot when her foot slipped off the brake pedal and began to roll forward. The driver of vehicle 1 stated before she could get her foot back on the pedal she struck vehicle 2.

The driver of vehicle 2 stated he was waiting at the stop sign so he could turn onto Route 88 when vehicle 1 rolled forward and struck his vehicle.

Vehicle 1 had damage to the passengers side front bumper.

Vehicle 2 had damage to the drivers side rear bumper.

Due to the statements made by both drivers, I determined the driver of vehicle 1 to be at fault for the crash. My department issued body worn camera was activated during this incident.
