145. Crash Description/Narrative

Vehicle 1 was driving west on route 88 in the middle travel lane approximately 25 feet east of Route 70. Vehicle 2 was directly behind Vehicle 1. Vehicle 2 had to stop abruptly prior to the intersection and Vehicle 1 struck the rear bumper of Vehicle 2.

In speaking with the driver of vehicle 1, she stated that she was in the middle travel lane on Route 88 headed west with Vehicle 2 directly in front of her. According to the driver of Vehicle 1, she stated the light had just turned green and a Vehicle which was in the left travel lane cut across all three travel lanes in order to make a right hand turn onto Route 88 west. This caused vehicle 2 to stop short. Driver 1 stated she could not stop in time and struck Vehicle 2's rear bumper with Vehicle 1's front bumper.

In speaking with the driver of Vehicle 2, she had the same account as Vehicle 1 with the vehicle in the left travel lane cutting across all lanes of travel in order to make a right hand turn onto Route 88 west. This caused Vehicle 2 to have to slam on her brakes and stop short in order to avoid hitting the vehicle. This caused Vehicle 1 to crash into the rear bumper of Vehicle 2.
