145. Crash Description/Narrative

V1 was traveling West on Rt 70 in the right most lane, through the intersection with Rt 88 and Princeton Ave.

After traveling through the intersection, Drive 1 lost control of the motorcycle and left the roadway towards the right, striking the curb. V1 fell onto its right side and slid approximately 30 feet West towards Forge Pond Rd.

Driver 1 fell/jumped off of V1 as it crashed and sustained minor bleeding abrasions. V1 sustained moderate disabling damage to its right side including crushed exhaust pipes, a possible gas line leak, and damage to the air intake and gas tank. Brick PD EMS arrived on scene and cleaned/treated Driver 1 for the abrasions. Driver 1 refused any further medical treatment.

Roadside field sobriety tests were performed on Driver 1 after officers suspected he was under the influence while operating V1. See Ptl. Scott #266 case report under this same case number.

Based upon the results of those tests, Driver 1 was placed under arrest for DUI 39:4-50. V1 was impounded as per John's Law, by Legacy Towing.
