145. Crash Description/Narrative

On 06/11/2021 at approximately 1611 hrs. Ptl. Docherty #275 and I #321 responded near the intersection of RT 88 and RT 70 for a report on a motor vehicle accident. Investigation at the scene revealed: V1 and V2 were both traveling west on RT 88 in the left lane approaching the interchange at RT 70. V2 was stopped in traffic at the red traffic signal. Driver 1 was following too closely and while looking away briefly, struck V2 on the rear bumper assembly. I observed no damage on V1 and a minor scratch on the rear bumper cover of V2.

I spoke with Driver 1, Michael Pawlowicz, who admitted that while following too closely in the left lane directly behind V2 on RT 88, he looked away briefly and "bumped" V2 on the rear bumper. Michael stated no damage was sustained to his vehicle.

I then spoke with Driver 2, Tara Heffern, who stated while stopped in traffic in the left lane of RT 88 at the red traffic signal, she felt V1 strike her vehicle in the rear bumper.

No injuries reported at this time.
