145. Crash Description/Narrative

Vehicle #1 was traveling east bound on Route 70 in the far left lane just past the intersection of Brick Blvd.

Vehicle #2 was traveling east bound on Route 70 in the center lane, just past the intersection of Brick Blvd.

Vehicle #3 was also traveling east bound on Route 70, in the right most lane, just past the intersection of Brick Blvd.

Driver #2 stated he was driving in the center lane when Vehicle #1 started to change lanes into his lane. He stated the passenger side fender of Vehicle #1 struck his driver's side fender and he began to move into the right lane to not have further damage. As he entered the right lane, he observed Vehicle #3 stopped in front of him and began to slow his car as quickly as he could but was unsuccessful and the front of his vehicle struck the rear of Vehicle #3. Two small scratches were observed on the driver's side fender, approximately 5 inches long, consistent with the damage his vehicle would have received from collision with Vehicle #1. Fresh paint dust was observed in the area of each scratch but no paint transfer was observed from Vehicle #1. Driver #2 described Vehicle #1 as being a black Volvo sedan with two younger white females with dark hair. Vehicle #1 continued east bound on Route 70 after the incident.

New Jersey Police Crash Investigation Report
Motor Vehicle Crash DescriptionPolice Dept: Brick Police Code: 01Station: — Case No: 2021-00045515

145 Crash Description

Driver #3 stated she stopped in the right lane for a vehicle turning into the driveway of Brennan Boat company, located at 831 Route 70, when she looked in her rear view mirror and saw Vehicle #2 approximately 50 feet behind her. She stated by the time she looked in the mirror, it was too late and did not see the first collision with Vehicle #1 that Driver #2 described. She did not notice Vehicle #1 at the time of the crash for any further description.

Officers checked the area for Vehicle #1 but was unable to locate it. No additional witnesses or surveillance cameras could be located either. Based on my observations and statements made by Drivers #2 and #3, I determined Vehicle #1 to be at fault for the crash.
