145. Crash Description/Narrative

Vehicle #2 was traveling east on Rt. 88 and attempted to make a right turn into 1855 Rt. 88. Vehicle #1 attempted to pass Vehicle #2 on the right side and side swiped Vehicle #2 causing it to spin around.

Driver #2 stated that he was traveling west on Rt. 88 and needed to stop to put directions into his GPS. He slowed down to turn left into public storage but was unable to because of a gate. Driver #2 then drove approximately 130 feet and put his right blinker on to turn into 1855 Rt. 88. As he was making the turn he felt Vehicle #1 strike the side of his vehicle which spun him around.

Driver #1 stated that Vehicle #2 stopped and attempted to turn left into public storage but then turned his blinker off and continued to drive straight. Driver #1 thought that he could pass Vehicle #2 on the right but did not realize that he was attempting to turn right into the parking lot. Driver #1 was unable to stop before striking Vehicle #2.

After my investigation I have determined that Vehicle #1 is at fault for the incident.
