145. Crash Description/Narrative

On 06/03/2021 at approximately 1505, Ptl. Docherty #275 and I #321 responded to the area of RT 88 east and RT 70 west for a report of a motor vehicle accident. Investigation at scene revealed: V1 and V2 were both traveling on the ramp from RT88 east to RT70 west. While V2 attempted to merge onto RT 70 west, V1 also attempted to merge simultaneously and struck V2 in the rear lower bumper assembly. I observed minor damage on the rear bumper of V2 and minor damage to the front bumper of V1.

I spoke with the driver of V1 identified as David Cubas, who stated that while waiting on the ramp directly behind V2 to merge onto RT 70 west, he believed Driver 2 started to accelerate after yielding. Simultaneously, Cubas began to accelerate more rapidly than V2 and struck V2 in the rear bumper.

I then spoke with the driver of V2 identified as Steven Cooley, who stated that while waiting at the ramp to merge onto RT 70 west, he was attempting to merge onto the highway. As he was moving, he was struck in the rear by V1.
