145. Crash Description/Narrative

Vehicle 1 was stopped in the right most lane facing north on the ramp at the intersection of Route 70 and Olden Street. Vehicle 2 was traveling east on Route 70 while approaching the intersection of Route 70 and Olden Street. Vehicle 1 started to drive forward into the intersection and collided with the side of Vehicle 2.

The driver of Vehicle 1 stated that she was stopped at the intersection and began driving forward when the traffic signal turned green. She then noticed Vehicle 2 continuing through the intersection and attempted to stop her vehicle. She was unable to stop her vehicle in time and collided with the side of Vehicle 2 within the intersection.

The driver of Vehicle 2 stated that he was traveling east on Route 70 and noticed the traffic signal at the intersection with Olden Street turn yellow. He then increased his vehicle's speed in an attempt to get through the intersection before the signal turned red. The side of his vehicle made contact with the front of Vehicle 1.

I spoke with a witness via telephone who explained he was traveling directly behind Vehicle 1. He stated that he

Motor Vehicle Crash Description

Police Dept: Brick Police Code: 01
Station: --- Case No: 2021-00039145

145 Crash Description

observed the traffic signal turn green before Vehicle 1 started moving forward. He observed Vehicle 2 drive through the intersection while the light was already green and enter the intersection while Vehicle 1 was driving forward. He then saw Vehicle 1 and Vehicle 2 make contact within the intersection.

After speaking with both drivers, the witness, and conducting my investigation, I determined the driver of Vehicle 2 to be at fault for the crash.

Matthew Farnkopf
