145. Crash Description/Narrative

My investigation revealed the following: Vehicle 1 was traveling east on RT-88 approaching the intersection with Olden. Once vehicle 1 was in the intersection, a vehicle making a left turn onto olden appeared. Vehicle 1 then avoided making contact with the vehicle, and in doing so, subsequently collided with telephone pole JC-200-BK.

Driver 1 stated he was travelling through the intersection of RT-88 and Olden. Driver 1 advised a vehicle then turned out in front of his vehicle, making him brake aggressively. Driver 1 stated because the ground was wet, he did not have enough time to stop and slid into the telephone pole.

Driver 1 reported no injuries and was provided a copy of the case number. Vehicle 1 was not moved prior to my arrival. My department issued body worn camera was activated during the investigation.

Driver 1 stated the vehicle that turned in front of his vehicle was NJ registration Z66LGG, the vehicle was a blue in color, Mazda 3. The vehicle was driven by Veronica Klarmann.
