145. Crash Description/Narrative

Crash investigation reveals a two vehicle crash in the parking lot of the Walmart store located at 1872 Route 88 in Brick, NJ. The driver of vehicle 1 stated she was backing out of a marked parking spot in said parking lot and thought the roadway was free from other vehicles. The driver of vehicle 2 stated she also observed the roadway was clear from other vehicles as she was backing out of a marked parking spot on said property.

As vehicles 1 and 2 were backing out of their respective parking spots (vehicle 1 traveling north while vehicle 2 was traveling south in the Walmart store parking lot). the rear of vehicle 1 crashed into the rear of vehicle 2. Based on the statements from both drivers, it appears both vehicles began backing out of their marked parking spots at the same time which caused the vehicles to crash into each other. I was not able to establish who was at fault and both vehicles were moved prior to Brick PD arrival.

No injuries were reported. Both vehicles sustained minor damage and were driven from the scene.
