145. Crash Description/Narrative

Vehicle #1 was traveling in the left lane of Route 70 westbound and struck the concrete center highway barrier.

Vehicle #1 then lost control and struck a tree off the north side of Route 70. The crash occurred approximately 500 feet East of the Entrance to the Home Depot parking lot where the operator of Vehicle #1 drove his vehicle to.

Vehicle #1 operator initially reported he was unsure of how the crash occurred. Vehicle #1 operator recalled that a red SUV cut him off as he was changing from the right lane to the left passing lane of Route 70 Westbound, prior to Olden Street. Vehicle #1 operator stated as he was in the left lane, a red SUV possibly bearing an unknown Florida registration, cut in front of him at a high rate of speed, causing him to stop short. Vehicle #1 operator stated he did not make contact with the other vehicle, but lost control of his vehicle. Vehicle #1 operator stated the rear driver side bumper struck the center concrete barrier and the vehicle skidded out of control into the wood line on the right where he struck a tree. He stated he then quickly drove out of the grass onto the roadway and the other vehicle was gone.

A witness stated he observed Vehicle #1 in his review mirror lose control and run off the roadway to the right.

145 Crash Description

The witness stated he also observed a red SUV possibly cut in front of Vehicle #1 and continue driving on Route 70 westbound. A witness statement form was completed.

The front seat passenger of Vehicle #1 stated she had head pain and refused medical attention by Brick Police EMS #534. Vehicle #1 operator also refused medical attention.

I checked the area for the suspect vehicle with negative results. No further information was reported at this time. Vehicle #1 operator advised me that his roadside assistance was sending a tow truck.
