145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 2 was stopped in traffic on Route 88 near the intersection with Jack Martin Boulevard because of a red traffic signal. Vehicle 1 traveled west on Route 88 towards the rear of vehicle 2 and the operator failed to stop in time to avoid an accident. Vehicle 1 slid on the wet roadway because of the rain and the front of the vehicle struck the rear of vehicle 2.

Driver 1 stated the following:

She traveled west on Route 88 and as she neared Jack Martin Boulevard, she observed the red traffic signal. She stepped on her brakes; however, her vehicle slid due to the wet roadway because of the rain. The front of her vehicle struck the rear of vehicle 2.

Driver 2 was unable to speak English so a family member translated the following for her:

She faced west while stopped in traffic on Route 88 near the intersection with Jack Martin Boulevard because of the red traffic signal. The rear of the vehicle was suddenly struck by the front of vehicle 1.
