145. Crash Description/Narrative

The driver of vehicle #2 stated he was attempting to turn left from Post Rd. on to Rt. 88. He stated he had the green light and proceeded to move forward. Once he was in the intersection, making his left turn, vehicle #1 struck him on the front driver side. As a result of the impact, vehicle #2 was pushed to the right and struck the lower driver side rear bumper of vehicle #3.

The driver of vehicle #3 stated she was on Post Rd., in the right lane, to the right of vehicle #2, attempting to turn left on to Rt. 88. She stated that as they proceeded through the intersection vehicle #1 struck vehicle #2 which then struck the rear driver side bumper of her vehicle.

The driver of vehicle #1 stated he was in the left lane of Rt. 88., traveling east, approaching the intersection of Post Rd. He stated he thought the traffic light was still yellow and proceeded through the intersection. He stated that vehicle #2 and #3 were in the process of turning left and he struck vehicle #2.

The drivers of vehicle #1 and #3 complained of chest and back pain but refused medical treatment from Brick Police EMS. The driver of vehicle #2 complained of chest pain and was transported to Ocean Medical Center.

Vehicle #1 was disabled and towed by Brick Performance. Vehicle #2 was also disabled and towed by Sandy's.

Based on all three of the driver's statements as well as observing the damage to all the vehicles involved, it is my determination that vehicle #1 caused the crash by failing to observe the red light at the intersection
