145. Crash Description/Narrative

The driver of vehicle #3 stated she was traveling west on Rt. 88, in the left lane, stopped in traffic, approaching the intersection with Rt. 70, when vehicle #2 struck her from behind.

The driver of vehicle #2 stated he was directly behind vehicle #3, stopped in traffic, when vehicle #1 struck him from behind. As a result of the impact he was pushed forward striking the rear of vehicle #3.

The driver of vehicle #1 stated she was behind vehicle #2 and was attempting to slow down. She stated that she began to slide on the wet roadway and as a result struck the rear of vehicle #2.

Based on speaking with all three of the drivers and observing the damage to the vehicles, it is my determination that vehicle #1 caused the crash by following too closely as well as traveling too fast for the current road conditions.

The driver of vehicle #1 suffered facial lacerations and was transported to Ocean Medical Center.

Vehicle #2 and vehicle #3 sustained disabling damage and were towed by Joe's Towing and Legacy Towing.
