145. Crash Description/Narrative

Vehicle #2 was traveling on Route 88 eastbound, approaching the intersection of Route 88/Olden Street. Vehicle #1 was traveling directly behind vehicle #2. Vehicle #1's front bumper collided with vehicle #2's rear bumper.

Driver of vehicle #2 stated she was traveling on Route 88 eastbound, approaching the intersection of Route 88/Olden street. At that time, Vehicle #1's front bumper collided with her rear bumper.

Driver of vehicle #1 appeared to be suffering from some type of medical condition at the time of the crash. He did not realize, he was just involved in a motor vehicle crash. He was not able to tell me where he was coming from or exactly where he was headed. He could not remember what day of the week it was or what month it was. He advised he was confused and does not know why he was having so much trouble remembering anything. He did not consume any type of alcoholic beverage or medication. He does not recall suffering from any type of medical condition. When asked what state he believes he is currently in, he responded that he was in New York. Brick EMS transported him to Brick Hospital for further medical evaluation.

Brick EMS checked on the driver of vehicle #2, and she was released by Brick EMS on scene.

145 Crash Description

After clearing from the scene, I spoke with the driver of vehicle #1 at the hospital. After seeking further medical attention, he was able to remember the accident. He advised they were stopped at the traffic light on Route 88/Olden Street. When the signal turned green, he traveled forward behind vehicle #2. As vehicle #2 was traveling forward they came to a quick stop. He was not able to stop in time, due to the wet road conditions. At that time his front bumper struck the rear bumper of vehicle #2.

Based off of my observations and both drivers' statements I find vehicle #1 at fault for following too closely.

Driver of vehicle #1 was not able to provide an insurance card at the time of the crash. He was able to send a copy of his insurance information to my work email.
