145. Crash Description/Narrative

My investigation revealed the following:

Vehicle 1 was traveling East on Route 70 in the right lane approaching the intersection with Olden St.

Vehicle 1 was also pulling a trailer with work equipment behind it. Vehicle 2 was in the middle lane of Route 70 traveling East approaching the same intersection. Driver 1 attempted to change lanes due to an upcoming merge.

Vehicle 1 did not have proper clearance due to the trailer. Vehicle 1 changed lanes and the trailer crashed into the front of vehicle 2.

Driver 1 stated he was approaching the intersection with Olden St. and attempted to change lanes due to the upcoming merge. He believed he had enough clearance but as he was changing lanes the trailer made contact with the front of vehicle 2.

Driver 2 stated he was approaching the intersection with Olden St. Vehicle 1 began to change lanes and the trailer he was pulling crashed into the front of his vehicle.

145 Crash Description

Based upon the above circumstances I find driver 1 to be at fault for the crash.

Vehicle 1 was pulling a blue trailer registered to the same owner as vehicle 1 with the same insurance. The trailer was bearing New Jersey registration TVC19R and sustained minor damage in the crash.
