145 Crash Description/Narrative

D2 advised that she was stopped in traffic in the right lane of Rt 571 eastbound for a red traffic signal at the intersection of Rt 571 and Gardenia Way. At this time, she advised that she was impacted by V1.

D1 advised that she was travelling in the right lane of Rt 571 eastbound behind V2. D1 advised that V2 came to an abrupt stop, and D1 was unable to react in time to avoid an impact. As a result, V1 impacted V2.

The impact between both vehicles, caused damage to both.

All occupants did not have any complaint of pain and refused medical attention.

During my investigation, I observed the right lane where the impact occurred. During that time, I observed no tread marks which would suggest that V2 came to an abrupt stop as D1 claimed. While continuing my investigation, I had both vehicles move from the roadway and enter into the parking lot of 1334 Rt 9, to ensure the occupant's safety and re-open the right lane. While speaking to D1, I detected the odor of alcoholic beverages emanating from her breath. D1 performed SFST's and was subsequently placed under arrest for DUI (see my Investigation Narrative for further details).

D1 was issued the following summonses:

1507-E17-010625 for DUI (39:4-50)

1507-E17-010626 for Reckless Driving (39:4-96)

V1 was impounded per Johns Law by Priced Rite Towing

145 Crash Description/Narrative

Driver #1 indicated she was traveling east on CR 527 and approaching intersection with Highland Pkwy. She stated that her traffic signal was turning amber as she entered the intersection. As she entered the intersection, veh #2, traveling in the opposite direction, turned left into her intended travel path. This occurred so close that driver #1 was unable to avoid collision. Veh #1 struck veh #2.

Driver #2 indicated she was traveling west on CR 527 and intended to turn left on Highland Pkwy. As she entered the intersection she stated that her traffic signal was green. She proceeded to turn when her vehicle was struck by veh #1. Driver #2 said that veh #1 appeared to be accelerating.

145 Crash Description/Narrative

Vehicle 2 Insurance - Self Insured (Toms River Regional Schools) #PK1029117

Driver of Vehicle 1 states she was stopped at the stop sign on Dayton Ave facing westbound at the intersection with Main St. She reports that Vehicle 2, which was traveling northbound on Main St just south of the intersection, put on it's right turn signal as if it was going to make a right turn onto Dayton Ave. Believing that the vehicle was going to turn right, the driver of Vehicle 1 reports she began to make a right turn onto Main St heading northbound, however Vehicle 2 continued straight through the intersection. Both vehicles then collided with one another with the front passenger side fender of Vehicle 2 striking the front driver side fender of Vehicle 1.

Driver of Vehicle 2 states he was traveling northbound on Main St as he approached the intersection with Dayton Ave when Vehicle 1 suddenly pulled out from Dayton Ave, attempting to make a right turn heading northbound on Main St. According to the driver of Vehicle 2, he attempted to stop and swerve to avoid a collision, but was unable to do so and struck the front driver side fender of Vehicle 1 with the front passenger side fender of his vehicle.

I was able to observe both vehicles and noticed damage to the front fender of Vehicle 1 and damage to the front passenger side fender of Vehicle 2 which is consistent with both driver's accounts of how the accident occurred. No one involved complained of any injury or pain and both vehicles were able to be driven from the scene. I provided both drivers with report information cards and advised them of how to obtain a copy of this report for their records. Nothing further.

145 Crash Description/Narrative

Driver of Vehicle 1 states he was making a left turn from the left lane of Highland Pkwy onto W Water St heading westbound when his vehicle's front passenger side fender, due to it's large size, must have partially entered Vehicle 2's lane of travel as it was still turning and struck it's rear driver side door.

Driver of Vehicle 2 states she was making a left turn from the right lane of Highland Pkwy onto W Water St heading westbound when Vehicle 1, which was traveling to her left and also making the same turn, apparently drifted right, partially into her lane of travel, and struck the rear driver side door of her vehicle.

I was able to observe both vehicles and noticed damage to the front passenger side fender of Vehicle 1 and damage to the rear driver side door of Vehicle 2 which is consistent with both driver's accounts of how the accident occurred. No one involved complained of any injury or pain and both vehicles were able to be driven from the scene. I provided both drivers with report information cards and advised them of how to obtain a copy of this report for their records. Nothing further.
