145 Crash Description/Narrative

Driver #1 reported that she was attempting to exit the parking lot of 2 Route 37 East onto Route 37 westbound. She saw a vehicle in the right lane of Route 37 westbound in the process of making a right turn into the driveway that she was exiting so she began to enter Route 37. She was unable to see vehicle #2 approaching on Route 37 and then collided with that vehicle with the driver's side front corner of her car. **Driver #2** reported that he was westbound in the 2nd lane from the right of Route 37, slowing down in traffic for a red traffic light up ahead. Vehicle #1 then entered the road from a parking lot and collided with the passenger side of his vehicle as he drove past.
