145. Crash Description/Narrative

Vehicle #2 was stopped in traffic in the left lane of Cedar Bridge Ave westbound. Vehicle #1 was stopped directly behind vehicle #2. Vehicle #1's front bumper struck vehicle #2's rear bumper.

Driver of vehicle #2 stated he was stopped in traffic in the left lane of Cedar Bridge Ave westbound. At that time, vehicle #1's front bumper struck his rear bumper.

Driver of vehicle #1 stated he was stopped directly behind vehicle #2. As traffic started to travel forward, vehicle #2 came to a stop. He did not have enough time to come to a complete stop. At that time, his front bumper struck the rear bumper of vehicle #2.

Based off my observations and both driver's statements, I find vehicle #1 at fault for following too closely. No injuries were reported at the time of the crash.

* Vehicle #2's Insurance Information
