145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 1 traveled westbound on Route 70 approaching Jack Martin Boulevard directly behind vehicle 2. Vehicle 2 traveled westbound on Route 70 approaching Jack Martin Boulevard. Vehicle 1 approached the red traffic signal and was unable to stop and hit vehicle 2 in the rear. Both vehicles received moderate damage but were driven from the scene.

I spoke to driver 1 at the scene. He stated he just had his brakes redone and was driving for the first time. As he went to hit the brakes the vehicle skid which caused him to hit vehicle 2.

Based on statements made and damage at the scene it was determined that driver 1 was at fault.
