145. Crash Description/Narrative

The driver of vehicle #2 stated she was traveling on Rt. 88 west, just west of Jack Martin Blvd., stopped in traffic, when vehicle #1 side swiped her on the passenger side.

The driver of vehicle #1 stated she was directly behind vehicle #2. She stated that she looked down for a second and failed to see vehicle #2 stopped in traffic directly in front of her. She advised by the time she realized vehicle #2 was stopped, she attempted to swerve to the right to avoid a collision. In doing so, her driver side mirror sideswiped the passenger side of vehicle #2 and her front passenger side bumper struck a utility pole (JC 164 BK). The damage to the utility pole appears to be only cosmetic, no structural damage and did not appear to shift from its position.

Based on both of the drivers statements as well as observing the damage to both vehicles, it is my determination that vehicle #1 caused the crash by driver inattention and following too closely.

Minor damage to vehicle #2. Disabling damage to vehicle #1. No injuries reported.
