145. Crash Description/Narrative

Vehicle #1 was traveling west bound on Route 88, approaching the intersection of Fort Street.

Vehicle #2 was traveling directly in front of Vehicle #1.

Driver #1 stated he did not see Vehicle #2's blinker on or slowing down until the last minute and could not stop his vehicle in time before striking the rear of Vehicle 2.

Driver #2 stated he was slowing down to make a left onto Fort Street with his blinker on when he was struck from behind by Vehicle #1.

I was traveling east bound on Route 88 approaching the intersection of Fort Street when I observed the crash. I observed Vehicle #2 coming to a stop in the lane of travel to make the left turn when Vehicle #1 was directly behind Vehicle #2. I observed the front end of Vehicle #1 go down as if the brakes were applied very quickly. I observed Vehicle #1 turn to the right in an effort to try and avoid Vehicle #2 but was unsuccessful and struck the rear of Vehicle #2.
