145. Crash Description/Narrative

The driver of vehicle #1 stated he was backing up in the parking lot of 425 Jack Martin Blvd., Ocean Medical Center, when he failed to observe vehicle #2 directly behind him. He stated that as a result of backing up, he struck the front bumper of vehicle #2 with his rear bumper. While speaking with him, he stated that the crash was his fault.

The driver of vehicle #2 stated she was directly behind vehicle #1. She stated that vehicle #1 began backing up at which time she began to honk her horn. She advised that vehicle #1 continued to back up and struck her front passenger side bumper.

After speaking with both of the drivers and observing the damage to both vehicles, it is my determination that vehicle #1 caused the crash by backing unsafely.

No injuries reported. Minor damage to both vehicles.
