145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 1 was in the parking lot at Brick Hospital located at 425 Jack Martin Boulevard. Vehicle 2 was legally parked in the parking lot at Brick Hospital located at 425 Jack Martin Boulevard. Based on the damage to vehicle 2 it appeared Vehicle 1 backed into vehicle 2 which caused a crack in the middle of the rear of the vehicle. Vehicle 1 left the scene and did not report the accident.

I spoke to the owner of vehicle 2 at the scene. She stated she had worked the overnight shift at the hospital and came out to find the damage to her vehicle.

Based on the damage to the vehicle it was determined Driver 1 was at fault.

Brick Hospital Security was notified of the event and would be reviewing surveillance cameras in reference to the accident.
