145. Crash Description/Narrative

Two vehicle crash occurred on 3/31/2021 at approximately 0755 hours in the parking lot of Hackensack Meridian Hospital of Brick (425 Jack Martin Blvd.) nearest the Jersey Coast Vascular Institute entrance. My body worn camera was on during this investigation.

Driver of vehicle #1 advised he was turning right into a marked lane space, misjudged the turn, and struck vehicle #2 in the right front with the right front of his vehicle.

Owner of parked vehicle #2 stated she was parked in a marked lane space getting ready to exit her vehicle when she was struck in the right front by the right front of vehicle #1.

I observed moderate damage to the right front bumper/fender area of both vehicles.

Driver of vehicle #1 is at fault for the crash for improper parking and driver inattention.
