145. Crash Description/Narrative

Vehicle #2 was traveling on Jack Martin Blvd southbound, near the intersection of Albert Cucci Drive. Vehicle #1 was making a left turn out of the parking lot of 425 Jack Martin Blvd (Brick Hospital) onto Jack Martin Blvd northbound. Vehicle #1's front bumper collided with the right front fender of vehicle #2.

Driver of vehicle #2 stated he was traveling on Jack Martin Blvd southbound, near the intersection of Albert Cucci Drive. As he was approaching the entrance to Brick Hospital, he observed multiple cars in the shoulder, waiting to turn into the parking lot. As he was passing the entrance, vehicle #1 pulled out of the parking lot, to turn onto Jack Martin Blvd northbound. At that time, vehicle #1's front bumper collided with his right front fender.

Driver of vehicle #1 stated he was making a left turn out of the parking lot of Brick Hospital, onto Jack Martin Blvd northbound. He observed multiple cars in the shoulder of Jack Martin Blvd southbound, waiting to turn into the parking lot. He did not see vehicle #2 traveling around the vehicles, that were traveling in the shoulder. As he pulled out onto the roadway, his front bumper collided with vehicle #2's right front fender.

Based off my observations and both driver's statements, I find vehicle #1 at fault for failing to yield to right
