145. Crash Description/Narrative

Vehicle 2 was traveling in the parking lot of 425 Jack Martin Boulevard (Ocean Medical Center). Vehicle 1 was also traveling in the parking lot of 425 Jack Martin Boulevard and stopped at a stop sign. As Vehicle 2 passed in front of Vehicle 1, Vehicle 1 traveled forward and struck the rear right side of Vehicle 2 with its front right bumper. Vehicle 1 received minor damage to the front bumper. Vehicle 2 received disabling damage to the rear wheel fender and rear bumper. Pieces of Vehicle 2 were unable to be completely reattached and the owner of the vehicle stated she would be getting a private tow service to remove her vehicle from the property.

Driver 1 stated she believed Vehicle 2 had passed in front of her vehicle and the traveling lane was open for her to proceed after stopping at the stop sign.

Driver 2 stated she was traveling straight and Vehicle 1 struck her vehicle in the rear.

Based upon my observations and statements made on scene, I find Driver 1 at fault for failing to yield to the right of way of Vehicle 2 and driver inattention. Driver 1 did stop at the stop sign, but started to travel before Vehicle 2 was completely clear from in front of Vehicle 1.
