145. Crash Description/Narrative

Crash investigation revealed vehicle 1 was making a right turn off of Van Zile Road onto Route 88. During the turn, vehicle 1's trailer rear wheels ran off the road to the right, struck the curb and then struck the traffic light pole, ultimately separating it completely from the ground. The traffic light then rested on top of vehicle 1's trailer at which point vehicle 1 came to a stop.

Driver 1 stated he was making a right turn off of Van Zile Road onto Route 88 when he heard a loud noise and pulled over to the side of the road. Driver 1 advised he did not notice the traffic light pole and believed he turned wide enough to clear the curb.

Based on my observations and statement made by driver 1, I determined driver 1 to be at fault for the accident.
